## Bio-Zyme Multi-Purpose | Sanitiser - Chicken Coops

Enzyme based Multi-Purpose cleaner sanitiser | Non Fragrant

An environmentally and user friendly cleaner, degreaser and sanitiser, Bio-Zyme Multi-Purpose is the safer and healthier alternative to toxic cleaners, solvents, caustics and bleaches.

Bio-Zyme Multi-Purpose cleans walls, perch rails, nest boxes, water and meal feeders and troughs. It cleans more than just visible surfaces, but also cleans and deodorises floor waste pipes and drains. Works very effectively through a foaming application for greater coverage in chicken coop. May also be sprayed on or mopped on in chicken coop. No edible product or packaging may be present in the area during cleaning and there can be no possibility of contamination of product or packaging material as a result of cleaning. When using as sanitiser contact time minimum 1 minute, then rinse with potable water after application.
